Why choose us?

Hangone law is a premier alternative law firm. Hangone law represents the best of both worlds, a pioneering virtual law firm with physical offices in Cape Town and Johannesburg. We are a client-centered virtual law firm, which is designed to find the best solution for our customers based on sound legal principles. Our team have over 20 years combined legal experience. We tailor make our approach to suit your legal requirements. We strive to fully understand our clients current requirements, challenges, objectives and goals so that we can maximise the value of our legal services.

Hangone law vision is to become a successful next generation law firm with a commitment to being an elite law firm operating both locally and internationally. Hangone law has developed a service based law firm which provides legal services of a high caliber, to clients using the best available technology. Our vision is to be your preferred service provider that provides affordable, understandable advice from our expert attorneys.

Our mission is to offer a cost-effective product by way of virtual services using technology. Our clients will save time and the inherent inconvenience of visiting an attorney at their office. Our flexible virtual business model ensures that we are highly accessible to our clients and the model also keeps us incredibly efficient. Our communication is mostly done by Telephone, Zoom, MS Teams and WhatsApp.

Our success is rooted in our core values being integrity and compassion. These values from the foundational principles that define what we stand for as a law firm and as individuals. Our values give our firm a unique identity which clients can relate to. We always pay personal attention to every matter and we guarantee complete transparency on our fees, what work is done and why the work is necessary.
